## STEP BACK IN TIME

### Fort Lancaster State Historic Site

One of four posts established in 1855 to protect the military route between San Antonio and El Paso. Visitors may wander through the ruins of the park still standing guard over the Pecos River valley.

Located 33 miles west of Ozona off U.S. 290, in Crockett County, travelers can also stop at an observation point for a spectacular view of a valley once roamed by pioneers.

### Crockett County Museum

Dedicated to sharing and preserving history, featuring an award winning Indian Exhibit, visitors will leave this museum feeling as if they have truly traveled through time. This three story period museum with it's general store, bank room, saddle

room, school room and many other exhibits, depict so clearly the heritage of this region and the way of life once lived by so many before us.

## HISTORY LIVES AROUND EVERY CORNER

Like the oak tree that served as Crockett County's first courthouse, and the American Gothic masterpiece designed by Ruffini that replaced it. Or the famous "Silk Stocking Row". Elegant mansions rise as stately monuments to the ranching and oil and gas industry that has fueled the economy of the community.

## HOSPITALITY REIGNS

Out here, eating is a pleasure! Dig into a nice juicy steak, enjoy some good ole home style cooking, or authentic Mexican food. Temptation is all around. *Hang Your Hat in Ozona and stay awhile!*

## RUGGED BEAUTY

Visit Ozona's newest attraction the Crockett County Interpretive Trail. This exhibit is an interpretation of plant material in its native habitat within a 100 mile radius of Ozona. The trail includes a Rain Harvest Exhibit

with signage on the process of collecting water for landscaping, livestock watering or home use. There is also a wildlife viewing area and a watering hole for birds and butterflies. Located at the Ozona Chamber of Commerce and Visitor's Center.

## FAMILY FRIENDLY

Ozona's Town Square is one of beauty, charm and warmth. This is a spot for locals and visitors alike. Just relax and enjoy the feel and sound of a West

Texas breeze rustling through tall pecan trees, or the sound of music from the Gazebo. The square is home to the **Tie That Binds Sculpture**, a

memorial to pioneer families, and to the **Davy Crockett Monument** whose name the county seat bears.

Whether celebrating a local festival or enjoying a quiet afternoon by the pool, Ozona is a quiet rural community where you will stop as a stranger, and leave as a friend. Ozona residents extend their heart and hand, making you feel right at home.

## Escondido Draw Recreation Area

Crockett County is home to a 3,400 acre off-road vehicle recreation park. Located near Fort Lancaster Historic Site, the park is open to all terrain vehicles, off-road motorcycles and full-sized four wheel drive vehicles. The park is open Fridays and Saturdays.

It offers extensive trails for off-roading, as well as hiking, birding and nature trails.
