Bahá'í House of Worship, one of the Seven Wonders of Illinois, 2007

Kohl Children's Museum

Bordering Chicago, along the glorious shores of Lake Michigan, the inviting communities of Evanston, Skokie, Glenview, Wilmette and Northbrook are just twenty minutes north of Chicago's city center and truly offer something for everyone!

During your North Shore visit, you can stroll through Northwestern University's ivy-lined campus. If you continue north, do so by taking a relaxing drive along the region's famed Sheridan Road, which actually hugs the lakefront. This gorgeous, winding stretch of road offers the most spectacular views of gracious homes, famed architecture, and the bounty of nature.

Make a point to see Wilmette's Bahá'í House of Worship, an architectural wonder, and take a tour of Wilmette's Historical Homes on a walking tour or visit the Chicago Botanic Garden where you can explore dozens of natural gardens from the brightly colored whimsical to the peaceful, subtle and serene. If you're in town with children, you won't want to miss The last sentence on the first page should read the Skokie Northshore Sculpture Park and Wagner Farm.
