

# Welcome to Carlyle...

we are located just about 50 minutes from downtown St. Louis, and we have Illinois' largest in-land lake in our backyard. About 3,400 people live in Carlyle throughout the year, but during the summer season, Carlyle swells with boaters, golfers, fishermen, campers and people who come to town to enjoy the events we organize throughout the year. Even during the winter months, you will find us and visitors coming to Carlyle Lake to hunt. We are just close enough to access metro St. Louis, but we are far enough away to still be hometown. For more information on Carlyle, visit us on the Internet at [www.playandstaycarlyle.com](http://www.playandstaycarlyle.com).
