What can you do in a Colorado with no snow?
Everything.

Your heart races and your palms dampen just from taking in the views around here. Wait till the mountain bike ride. Or the trail run, kayak trip, trout fishing, summit reaching, or anything else you can do under the warm Colorado sun. And after you're all warmed up, Colorado will reward you with cool, comfortable evenings just right for outdoor dining and entertainment. Along with a night sky filled with dazzling stars that seem close enough to touch.

Bottom line, when Colorado is your playground, there's no end to the summer fun. Start planning your breathtaking Colorado summer experience today.

LET'S TALK
COLORADO

Find your perfect summer in Colorado, with an incredibly rich variety of arts, culture, foods, and festivals, all staged within a state whose breathtaking beauty is beyond words.

Cap off a day spent gallery-hopping any of 10 top art communities in the U.S. with an evening under the stars enjoying musical or theatrical performances. Enjoy a round of golf on a mountain course where seeing an eagle is more likely than scoring one, or spend an afternoon touring one of the state's award-winning wineries – with equally award-winning views. Let the majestic beauty of Colorado be your backdrop as you get closer to nature on a trail walk or saddle ride. And leave the workday world of home far behind as you melt the stress away during a nighttime soak in a natural hot spring.

There are so many things to do and see here that you'll wonder when you'll have time to even eat. But eat you will: be it farm-to-table local fare, gourmet creations from acclaimed master chefs, or a simple picnic in the perfect setting, Colorado is foodie paradise, and you won't want to miss a bite.

That whole 'family that plays together' thing? It works great here.

It's amazing how the open spaces of Colorado can bring a family so much closer together. Nature has provided the perfect playground for young and old alike, making a summer in Colorado just the thing for family fun. Take in fresh air and amazing views at 10 National parks and monuments. Explore a steam-engine train or visit an old mining town. And don't forget to just get out and play: see nature from horseback during a guided trail ride, create memories over s'mores during a camping trip, take in a ball game "Rockies Style," spend some time in a charming mountain village, have the thrill of a lifetime during a river rafting trip, or walk in the footsteps of dinosaurs.

Whatever you do here, you'll do it together. And you'll remember it forever.

Go ahead. You deserve a summer like this.

Everybody talks about the weather. It seems like Colorado listens.

After all, a Colorado summer offers the perfect blend of not-too-hot sunny days and not-too-cool starry nights. But, even with weather this spectacular, it's what you do during those days and nights that makes Colorado truly remarkable.

This is a place of epic beauty. A place where you can experience Mother Nature's finest on a walking trail one day then find yourself teeing off on a tour-caliber golf course the next. A place where, no matter where you are, you're a short distance from one of 10 National Parks or Monuments. And a place where scenic and historic byways are plentiful, making even the shortest drive the grandest memory.

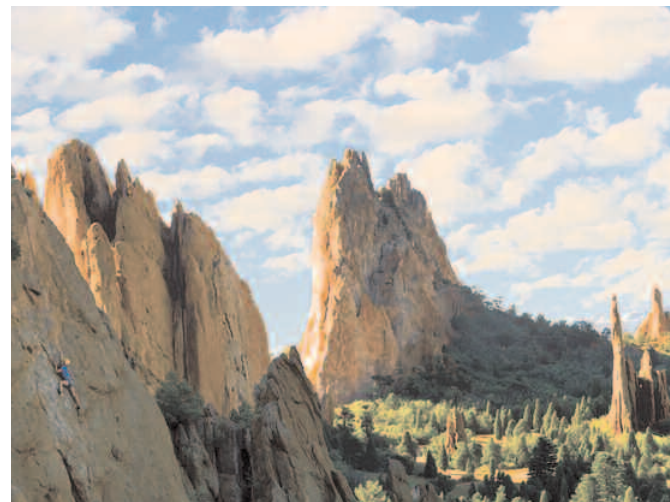

And, of course, Colorado is also delicious – offering a rich variety of dining options, from locally grown farm-to-table fare to sumptuous gourmet bistros and restaurants. Or raise a toast in one of 99 local microbreweries, offering pub food and refreshing ales made on the premises.
