What will I do?

The activities at all of our dude ranches can be as leisurely or active as you want. While unlimited horseback riding is the main focus of all DRA ranches the other activities you can experience are endless. Hiking in National Parks and forests, white water rafting, world class fly fishing on private waters, overnight pack trips, trap shooting, golf, children's programs, evening entertainment, cattle work and much, much more. There really is something for everyone.

Where will I stay?

Sitting in a big overstuffed chair with your favorite book by a crackling fire or standing on a porch looking at a view that simply takes your breath away. No noisy streets, no high-rise buildings, just you and mother nature at your fingertips. Dude Ranch accommodations vary from luxurious to elegant rustic, to Cowboy Chic. Whether you are staying in your own private cabin or in a lodge room, rest assured you will be sleeping on comfortable beds, in superbly kept rooms with all the amenities you could need.

What will I eat?

Dining at a dude ranch will be one of the most memorable parts of your vacation. Whether you are dining around a camp fire, under the stars, enjoying a pool side barbeque, or sitting at an elegant candlelit table, the food is simply amazing. The fare will range from home-style cooking to the finest in western cuisine. Ranches offer freshly baked pastries and breads, deserts, fresh fruits and vegetables. Many ranches have farm-to-table relationships with the local farming communities so you can be assured of freshness. Special dietary needs can be accommodated upon request.
