## WELCOME TO YARMOUTH, WHERE YOUR CAPE COD EXPERIENCE IS WITHIN REACH.

Yarmouth's central location and wide range of lodging and dining choices has made us the #1 destination on Cape Cod. Whether at an ocean front family resort or a historic Sea Captain's inn, your stay is sure to be memorable.

The villages of Yarmouth offer visitors very distinctive experiences. Our north side is home to over 60+ beautiful and historic sea captain's homes, museums, unique shops and galleries, and the award winning romantic sunsets at the Gray's Beach boardwalk. The south side offers a more active entertainment zone with 90 holes of adventure golf, trampolines, skateboard parks, home-made ice cream shops, fabulous restaurants, and miles of sandy beaches.

With so much of Yarmouth and Cape Cod to experience, we invite you to stay an extra day, or perhaps a week, or even a lifetime...

With the ocean on the north and south sides of the Cape, seafood is certainly the highlight of our cuisine, but Yarmouth restaurants don't stop there. They feature a variety of award winning fare ranging from the classic Clam Chowder and Fried Seafood to Fine Dining and everything in between. Dining on Cape Cod has a delightfully relaxed atmosphere and while Yarmouth and the Cape feature many upscale establishments, there is no need to "dress up" to enjoy a fine dining experience. The only requirement is that you arrive hungry!
