### CROWNE PLAZA® SAN MARCOS GOLF RESORT

## Legendary Golf

The San Marcos Golf Course was Arizona's first golf course, opening in 1913, one year after the Grand Opening of the resort itself. The course features a challenging but fair layout with ample length, at 6626 yards from the tips, but offering multiple tee choices to fit the game(s) of our guests. A favorite for generations, the course features wide fairways that are lined with large shade trees. Water comes into play on 8 holes. For more information, call our golf staff at 480.963.3358 or 800.528.8071.
